To Whom It May Concern:

Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act requires foreign and domestic companies to report the use of tantalite, tin, tungsten, and gold (the 'Conflict Materials') sourced from the Democratic Republic of Congo (DRC) or adjoining countries.

We have reviewed our supply chain and determined that none of the materials used in the production of our products contain minerals originating from the DRC or adjoining countries.

Very truly yours,
